

Cub Scout Badge Programs

Each program is 1.5 hours long and includes hands-on animal encounters and an activity. The cost of the program is \$7.50 per scout. We also offer Rescue Ranch scout patches for \$2.50 when you book a program.

Tiger

Tigers in the Wild –Scouts learn about animal tracks and poison ivy and will take a hike to find each of them. When they return to the building, they will meet some of our resident animals to learn interesting facts about them as well.

Wolf

Paws on the Path – Scouts will take a hike to find birds and bugs that live in our area. They will then be able to meet the birds and bugs that live on site as well as some other exotic animals.

Bear

Fur, Feathers, and Ferns– Scouts will be able to identify extinct or endangered animals in North Carolina and observe wildlife from a distance. They will also learn about and interact with animals who reside at Rescue Ranch.

Webelos

Webelos Walkabout–Scouts will learn the difference between venomous and non-venomous reptiles. They will be able to interact with many non-venomous reptiles we have on site including snakes and lizards.

We can combine programs for mixed groups of scouts. The minimum number of scouts per program is 8. If you are interested in a program listed above, a custom program, or meeting other badge requirements not listed above, please contact our Humane Education Manager, Stacey Foreman at stacey@rescueranch.com or 704-768-0909.
